PENN'S FOOTBALL MEN PUTTING IN SOME HARD WORK

Candidates Hustling in Morning and Afternoon Practice on Franklin Field.

Seelback, last year's basketball captain and end on the Pennsylvania football team, has reported. He is in great shape and pounds heavier. Last year he suffered from a broken shoulder which kept him out most of the year. Barring another such accident he will be a strong candidate for the Penn eleven.

Wray, star lineman of last year's freshman team, also made his appearance, and was sent to "By" Dickson as an end possibility. He weighs 180 pounds and is extremely swift-footed

"Vie" Ballou, last year's scrub quarter-back, got out his togs and made his initial showing of the season. Jones also was among the day's arrivals. He has been summering at a Maine camp. He played a spiendid line plunging game hast year on the scrub eleven. start in the first event, letting three get the scrub eleven. He is a half-back pos-The squad was put through practice

both in the morning and afternoon. It is evident that Coach Brooks is not going to leave a thing undone to make it a winning season. Brooke continued his practice of the day before, giving the backs rudimentary practice in running with the ball, laying particular emphasis on the handling of the pigskin. Among the candidates Jones, Mathews, Hughes and Tigh gave good promise. "By" Dickson continued his training of the ends. It is evident from the number of men assigned to him that his work of filling in the wings is a hard one. Wray and Carter displayed good speed for their size. Murdock is back and after his old place. Allordock is back and after his out-place. He has gained 10 pounds and has improved in speed. Big Koons is also in good condition. Urquhart and Gott-wals did some great work in handling forward passes. Despite the fact that the freshman call has not been sounded, the yearlisgs con-

two new infielders, made a fine impression by their work. The game was a listless affair, the Pirates playing a miserable game in the field, which allowed the Phillies to pile up a commanding lead. After Cooper retired, however, Conzelman held the Phillies down, and got even better support than his predecessor. Lobert drew a pass in the first and was caught at second by Kelley, who muffed Becker's easy fly. Magee's single sent Becker to third, and he scored on Cravath's sacrifice fly. Singles by Paskert and Killifer, with two errors by Viox, netted the Phillies two runs in the second, and they got three more in the third on singles by Byrne and Martin, Paskert's double and two more errors. Conzelman let them down with three hits in the last five innings and only one man reached as far as third.

PLAN NEW CHURCH BASKETBALL BODY AT GERMANTOWN

Committee to go Ahead and Form New League in Addition to Established One of Last Year.

Instead of reorganizing the German town Basketball League this year, a committee, consisting of Edward R. Bushnell, George Crawshaw and the club superintendents, was appointed to organize another church league, whose membership should be composed entirely of Germantown churches. Second Presbyterian has joined this league, and as soon as it is generally known a number of other churches are expected to enter.

An intermediate league, to be composed of teams whose players are over 14 years of age and under 18 years of age, will be organized and play on Saturday afternoons. Teams desiring to enter this league should address the superintendent of the club.

The Junior League of the Germantown Boys' Club will open its 11th season, October 5. The following teams will make up the circuit:

Navaho, Mohawk, Seneca, Seminole, Cherokee, Cheyenne, Dakota and Irquois. All players in this league must weigh under 100 pounds. The scheduled games under 100 pounds. The scheduled go will be played between 7 and 8 p. on Mondays, Tuesdays, Wednesdays and Thursdays.
The Junior Germantown Church Ath

letic League is being organized and teams are promised from Westside, last year's champions; Wakefield, St. Stephen's and Second Presbyterian. It is also expected that First Presbyterian will enter a

Arrangements have been made with Northeast Manual Training High School for its team to practice and play all home games in the club cage. Several other schools are negotiating for the use of the cage during the afternoon hours.

The Athletic Council of the Germantown Boys' Club held a meeting and dis-cussed plans for the basketnall season about to open. The plans about to be developed are to organize six leagues, as follows: The Germantown Church Athletic

League, which was so successful last year, will be continued along these lines. There will be one change in the circuit, Advecate taking the place of Trinity Lutheran. The other teams in the league are Wakefield, Third B.ptist, St. Stephen's, Westside, Market Square, St. Michael's and First Preshyterian,

The Northwest League will be reorgan-The Northwest League will be reorgan-ized, and a meeting for this purpose will be held Wednesday, September 23, at 8 o'clock. Teams desiring a place in this league should address Charles W. Bainbridge, Jr., 25 West Penn street, Germantown, or phone Germantown 2159.

PRINCETON NET EXPERTS MAKE A CLEAN SWEEP

Tiger Players Win All Three Games in Morning Round of Intercollegiate Tennis Tourney at Merion Cricket Club.

HAVERFORD, Sept. 18.-Three matches n the second round of the intercollegiate tennis championship tournament in progress here today ended with brilliant victories for a trie of Princeton University players, the contests ending shortly after noon on the splendid turf courts of the Merion Cricket Club with George M. Church, A. M. Kidder and L. Vandevander victors.

Princeton now looms up strongly as Princeton now looms up strongly as a contender for the point in the singles, but the Crimson have Richard Norris Williams. 2nd, in the running, and he is counted upon to duplicate his feat of last year when he won the championship title. Williams was drawn to play Richard Harte, Huntington Valley Country Club, also from Harvard, in the second round of play today, but this match was held over until the afternoon. So the semi-final brackets will see three Tigers and one Crimson player still in the race, with a Harvard man and a Princeton experience.

a Harvard man and a Princeton experiikely to meet in the final round.

Church had all he could handle in his match with W. S. McEllory, the brilliant Western Pennsylvania star. McEllory, a veteran of the present tournament season. lest the first set six games to one, but he made a great rally in the second set, and though Church won seven games to fly it was not without the stiffest opposition on the part of the Pittsburgh player Church showed flashes of champlensh atyle, and is a favorite to give Williams a good battle in the final event.

L. Vandevander, another brilliant Princeton player, showed his best tennis of the tournament when he defeated Ber nard C. Law, a teammate and local youth in two sets. Law did some wenderful work in the first set, which went to Van-devander seven to five. In the second set Vandevander let loose, and with a display of tennis which fairly dazzled the spec-tators, he defeated Law by six games to one in quick order.

Play in the doubles started, and an Harte and Williams were paired they did not meet in their singles match Three matches were played before lunch-eon at the club. of Haverford, in two sets.

One of the best matches in the doubles was played between Captain Albert E. Kennedy, Jr., of Penn, and his part-ner, Joe Replogle, who opposed Doyle and Koeniger, the Dartmouth College team. This was a thrilling three-set match, in which Kennedy and Replogle won the first set six games to four, lost the second set by similar scores after many brilliant rallies, and then captured the third set, seven games to five. The result of this match was in doubt until the very end, when the Red and Blue players pulled through with a spurt

HUDSON Six-40 This \$1,550 F.O.B. Detroit

Howard E. Coffin Saves 1,000 Needless Pounds

The HUDSON Six-40 for 1915 weighs 2,890 pounds-a seven-passenger car.

Built by old standards, such a car would weigh around 4,000 pounds. Cars are all being built lighter, still no other maker has attained this lightness yet. So some

But thousands of these cars went out last year. In thousanus of hands, on all sorts of roads, not a single shortcoming developed. Never has a car

will argue that sturdy cars can't be as light as this.

proved stauncher. The difference is simply this:

Aluminum takes the place of cast iron. Drop forgings take the place of castings. Better designing combines strength with lightness-in a thousand details. One, for instance, is a tubular propeller shaft.

No More Over-Tax

Needless weight was a heavy over-tax on tires. HUDSON engineers have stopped it. In addition, their new-type motor cuts fuel cost 30 per cent.

Expense excess is out-of-date. The day of modest size and power and price has come. This new-model HUDSON typifies the car of the future.

It is one of the handsomest cars ever built. It has many attractions found in no other carbeauties, comforts and conveniences.

48 engineers-headed by Howard E. Coffinhave devoted four years to this car. Come and see the advances-the scores of new things they've accomplished.
